- EOE M/F/D/V. No agencies please.

Pioneered in 1991, Central Admixture Pharmacy Services (CAPS), delivers high quality parenteral admixture services and solutions to dynamic and challenging pharmacy environments. CAPS has grown into a national network of state-licensed, FDA-registered pharmacies providing service to over 1000 hospitals and home care customers. From 21 nationwide locations, CAPS pharmacies operate 365 days a year to admix, dispense and deliver labeled patient specific and anticipatory IV prescriptions to our growing family of outsourcing pharmacy partners. CAPS services allow client based pharmacists to focus less time on compounding IV solutions and more time on clinical work, while saving time and money.

A B. Braun Company

VA Reno Sierra Nevada Health Care System

Clinical Pharmacists

The VA Sierra Nevada Health Care System is seeking two experienced clinical pharmacists. One is for a position on our Reno campus, in the inpatient setting with primarily a Monday through Friday work schedule. The other is a full time position in our Community Based Outpatient Clinic in Fallon.

We have a state of the art practice with active involvement in drug selection, anticoagulation monitoring, kinetics, TPN, ID, Pharmacoeconomics, disease state management, as well as resident, teaching opportunities. Our progressive and innovative practice setting includes extensive technology and tech support.

Pharmacy Technicians

One part-time and one full-time position available, both on our Reno campus; national certification and inpatient pharmacy experience preferred.

A career with the VA offers stable employment and a future that is challenging, satisfying, and rewarding. Work in an excellent patient care environment with learning/teaching opportunities, and an advanced electronic medical record system.

We offer a comprehensive benefits package that includes:

- Recognition for professional achievement
- Competitive pay
- Liability protection
- 13-26 days paid annual leave/year
- 13 days paid sick leave/year
- 10 paid holidays/year
- 15 days paid military leave/year (if applicable)
- Choice of health insurance options
- Dental and vision coverage available
- Life insurance coverage
- Retirement benefits (three tiered)
- Thrift Savings Plan (similar to 401k) with agency matching
- Student loan debt reduction program

Must be a US citizen
